The Massachusetts Conservation Alliance (MCA) supports all the proposed changes relative to the January 27, 2025 public hearing on new bear regulatory changes.

We support all the changes to the bear hunting regulations as outlined in <https://www.mass.gov/doc/draft-dfw-bear-hunting-regulations-321-cmr-3-02-1>. Additionally, we request these changes become effective in the Fall 2025.
